### Company Details

The following information is required to use the Wharf Booking System. Once listed, the company owner or director is responsible for informing Roads & Maritime Services of any changes to contact details, user details or vessel details.

The owner or director must read the Terms and Conditions and be aware of companies responsibilities. If for any reason the company does not comply with the conditions, current and future bookings may be cancelled and access to the system may be restricted.

I have read and agree to comply with the Wharf Booking System Terms & Conditions. I am aware that I am responsible for users listed under this company and that they too must comply.

## Authorised Persons to make Bookings

The following information is required to log on to the Wharf Booking System. Only then will a username and password be issued. A maximum of 4 usernames per company can be issued.

A user name consists of the first letter of the user's first name, the first letter of their middle name and their full surname (For example, Adam John Smith would have a user name of AJSmith). If you do not have a middle name you must use the first letter of your first name again.

A username and password will be issued to successful applications. Upon initial login, you will be requested to change your password. This password will be limited to 6 characters (alpha/numeric) and must contain at least 1 numeric character. You may change your password at any time by logging onto the website and clicking on "change password".

## Vessel Details

The following information is required to have a vessel listed on the Wharf Booking System. If more vessels are needed to be listed, please attached a second page.

All vessels on the Wharf Booking System must be owned by the listed company or provide written approval from the owning company to use the vessel on this system.

The vessel must be currently registered and have one of the following:

- NSW Survey Certificate
- Another Australian State or Territory Survey with NSW Recognition

If the vessel does not have either of these, please contact Roads & Maritime Services on 02 9563 8571.
